About Us

THE BOYS' BRIGADE IN MALAYSIA
COPYRIGHT RESERVED (APR 2024)

About Us

The Boys' Brigade was founded on 4th October 1883 by Sir William Alexander Smith who established The 1st Glasgow Company, in Glasgow, Scotland, UK. This makes us the first and oldest uniformed youth organization in the world. We even were the first to organize a youth camp with the first BB Camp held in Tighnabruaich, Scotland, UK.

The BB Motto

The motto of the Brigade is 'SURE AND STEDFAST'. Our motto is taken from the Bible in Hebrews 6:19 (King James Version):

"Which hope we have as an anchor of the soul, both sure and stedfast,"

The BB Object

The Object of the Boys' Brigade shall be:

The advancement of Christ's Kingdom among Members and the promotion of habits of Obedience, Reverence, Discipline, Self-Respect and all that tends toward a true Christian Character.

Fun fact: The object remains the same as set in 1883, except that the word 'obedience' was added in 1893.

The BB Method

The Method of achieving the Object of the Boys' Brigade is by providing a meaningful and enjoyable programme of educational, physical, social, and spiritual components based on the "twin pillars" of the Boys' Brigade.

The Twin Pillars

The Twin Pillars of the Boys' Brigade are **Faith and Discipline**.

This means our entirety: uniform, badges, drill, camping and community service, seeks to bring out the habits of discipline, self-respect, smartness and teamwork at the best that a Member can with the help of the Officers of the Brigade.

The BB Emblem

The Emblem of the Boys' Brigade is an anchor with the letters "B.B." flanking the anchor in yellow gold colour; with a red cross in the background and the words "Sure & Stedfast" or "Tetap & Teguh" in black inscribed at the upper and lower part on the anchor respectively. A blue banner entitled "The Boys' Brigade" in white inscribed may be located below the anchor.

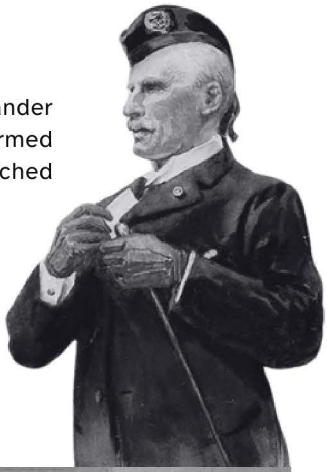
Our History

THE BOYS' BRIGADE IN MALAYSIA
COPYRIGHT RESERVED (APR 2024)

Our History

The Beginning



This is a picture of our founder, William Alexander Smith, the man who began the very first uniformed organization for Young People which has now reached its influence around the world.

His contribution to impacting Young People worldwide qualified him to receive the honour of Knighthood in July 1909. He was knighted by King Edward VII and given the order of Knight Bachelor.

Sir William Smith and the 1st Glasgow Company of the Boys Brigade

Started the BB in Glasgow, Scotland on Thursday 4th October 1883.

Funeral of Sir William Smith in Glasgow, May 1914

Sir William passed away at St. Bartholomew Hospital, London on the 10th May 1914. This is 2 days after he collapsed at a Boys' Brigade Rally in London's Albert Hall.

Both of Sir William's sons followed his footstep in the Boys' Brigade.

The Founder

The guiding force behind The Boys' Brigade during its early days was its founder, SIR WILLIAM ALEXANDER SMITH. His ideas and principles are a continuing inspiration of Officers and Members alike.

Sir William Smith was born on 27th October 1854 at Pennyland, near Thurso, on the stormy north-east coast of Scotland. His father and grandfather before him had been officers in the Army. Sir William Smith began work as a clerk in his uncle's business in Glasgow at the age of fifteen, and while still in his teens he enrolled in the 1st Lanarkshire Rifle Volunteers and a year later he became a member of the Free College Church.

When he was a young Sunday school teacher in his church, Sir William Smith used to worry that the Boys in his class were rowdy and he had difficulty keeping them quiet in order to teach them. But on Saturdays, as an Officer in the Volunteers (part of the army of that time) he could get a hundred men to obey his every word of command yet he could do nothing with a small group of lively Boys. Why couldn't the Boys in his Sunday school be like the Volunteers?

It was then that the idea of 'Drill and Discipline' came to him. If the Boys met together to do drills during the week, then perhaps they would be better behaved on Sundays. Thus, The Boys' Brigade was started. Very quickly it was clear that the Boys were benefiting from The Boys' Brigade and soon other Companies were formed.

For thirty-one years since 1888, Sir William Smith was Secretary of the Brigade, preferring the humbler appointment of Brigade Secretary to that of Brigade President. He was also Captain of the 1st Glasgow Company.

He received the honour of knighthood in July 1909 by King Edward VII. He passed away suddenly in London on 10th May 1914. Over 7,000 Boys of the Glasgow Battalion and thousands of civilians paid tribute to Sir William Smith at his funeral in Glasgow.

Founder's Day

The last Sunday of October each year is observed as Founder's Day.

What He Lived For

"If I am to be remembered by posterity I should like it to be as the man who taught people to spell Boy with a capital "B".

A Royal Tribute

King George VI said of the Founder:

"Sir William Smith, built better than he knew for he started not only a great movement but one from which all our present widespread youth training was destined to spring..."

The Words of Sir William A. Smith

"In every healthy Boy there is an inborn desire to be brave, true man, and if he fail to attain to this, it is too often from a perverted notion of what true bravery and true manliness really are. What we had to do was to take hold of this desire, and turn it into a right channel, through which it might frame to God's glory and their own good.

What the Brigade seeks to do is to train up good, true Boys, well prepared, physically and morally, for the battle of life, in whatever sphere they may choose.

It will thus be seen that the Brigade aims at taking all that enters into healthy Boy-Life, and consecrating it to the service of God."

The Sons of the Founder

Both in turn succeeded their father as Captain of the 1st Glasgow Company. Mr Stanley Smith was Brigade Secretary from 1925 and Mr Pearson Smith was a member of Brigade Executive.

Since the establishment of The Boys' Brigade, there were offshoots of various organisation who preferred their own methods.

- The Church Lads' Brigade
- The Boys' Life Brigade
- Jewish Lads' Brigade
- Catholic Boys' Brigade
- Life Brigades
- Girls' Guildry

  "This is the oldest uniformed organization for girls, being formed in 1900 – ten years before their more famous sisters the Girl Guides began. The Girls' Guildry owes its birth to a B.B. officer – Dr. W. F. Somerville of Glasgow – who received much assistance from W. A. Smith in his venture. His idea was to form "a Girls' Brigade that would do for girls what the B.B. does so well for boys" - Quoted from " The Boys' Brigade, Austin. B. Eirch, 1959"

The Boys' Brigade in Malaysia

The Boys' Brigade did not appear in Asia until 1915 when Rev Guthrie Gamble founded the first Company in Swatow, China. The Company however had to fold-up when the Communists took over China. The BB then spread to South-East Asia with the formation of the 1st Singapore Company in 1930 by Mr James Fraser.

Concern about the rampant delinquency of teenaged boys in the church, Reverend Khoo Cheng Hoe, the Pastor of the Madras Lane Methodist Church, asked his son, Dr Khoo Oon Teik about the Boy's Brigade movement in Singapore.

He then asked the help of his son who was studying Medicine in Singapore prior to World War II to seek assistance from Mr James Fraser about starting the Boys' Brigade movement in Penang. After writing a letter to Mr James Fraser, a parcel containing enrollment poster and pamphlets were received from Singapore. However, Dr Khoo then left for Singapore to pursue his career. The Boys' Brigade movement did not start then.

THE BOYS' BRIGADE IN MALAYSIA
1930 TO PRESENT 2021

The idea of the Boys' Brigade together with the promotional materials from Singapore was well received by the Local Church Executive Committee (LCEC) of the church. The LCEC then approached Mr Geh Hun Kheng, a respectable elder in church and the society as well as Principal of the Anglo Chinese Primary School to consider starting the Boys' Brigade.

Robert G. Davis was the Captain of 6th Birkenhead Company in Tranmere, near Liverpool. In late 1945 when he was posted to Malaya as a British soldier, he gave a talk about Boys' Brigade over Radio Malaya and a recruitment talk at Suffolk House in Anglo Chinese Primary School, where Mr Geh was the Principal.

Mr Robert Davis

Mr Geh Hun Kheng

Mr. Robert Davis then officially started the 1st Penang Company with Mr. Geh Hun Kheng, as the Company Captain. The Company was under the sponsorship of Madras Lane Chinese (English speaking section) Methodist Church. The first meeting was attended by 35 boys who registered as members. The boys wore their school uniform, which consisted a white shirt, shorts, socks and black shoes; with a haversack, belt, and field service cap.

The 1st Penang Company, November 1946

The uniform of the Boys' Brigade in Malaya remained as the simple with a white shirt with white shorts and was only later changed in 1947 to a navy blue shirt, shorts, socks and black shoes; with a haversack, belt and field service cap.

The First Penang Company was then enrolled by the London BB Headquarters on the 20th July 1946. Subsequently, held its first enrolment Sunday on the 7 August 1946 where the Captain and officers of the First Penang Company were enrolled and a Letter of Appointment given them.

The office bearers of 1946 were:

Chaplain	:	Rev Khoo Cheng Hoe
Captain	:	Geh Hun Kheng
Lieutenants	:	Ho Weng Hong, Khoo Oon Lock
Warrant Officers	:	Khoo Oon Hoe, Khoo Oon En

While the activities of each Company may vary, all Companies meet at least once a week in uniform called a BB Parade. Companies normally have special programmes during school holidays such as camps, hikes, excursions and educational trips.

Company Name

The worldwide movement of the BB is known as The Boys' Brigade. The local unit is the Company. Every Company has a name, just like you. Get accustomed to talk of your Company by name, such as "1st Sibu Company", "1st Kota Kinabalu Company" and so forth.

BB Traditions and Celebrations

Enrolment Day/Service

One of the important ceremonies of the Company is the Enrolment Service. It is a simple but meaningful ceremony in which Members are enrolled. It is held each year early in the session.

The Enrolment Service is a dedication service where Officers and Members are presented to the Church congregation to dedicate themselves to BB ministry for the year. The Enrolment Service is usually celebrated either during a Sunday Service or on a Parade Day as a separate dedication service in the first quarter of the year, unless it is celebrated together with Awards Day (thus called Enrolment and Awards Day) to which it is celebrated usually in late second quarter or third quarter, of the year before commencement of school major exams.

Awards Day/Ceremony

The Awards Day/Ceremony is a celebration and presentation ceremony for Members to receive the Awards that they strived to achieve all year. It is also a ceremony for the promotion of NCOs and Junior Leaders.

Awards Day is usually the day when Members are also honourably discharged upon reaching the maximum. Here is also when, if approved by the Officer's Council, the discharged Member may be commissioned to either an Auxiliary Officer (Staff Sergeant or Warrant Officer) or an Officer (Lieutenant) to which he also takes up the oath from the Chaplain for the remainder of the year.

Awards Day is usually celebrated on a Parade Day or celebrated together with Enrolment Day, thus sometimes called Enrolment and Awards Day.

BB Day

To commemorate the founding of The Boys' Brigade, 4th October each year is observed nationally as BB Day.

Founder's Day

To celebrate the birth of Sir William Alexander's Smith as the Founder of The Boys' Brigade. This celebration is typically held on the last weekend of October.

This event occurs every two years with the purpose of giving the Boys' Brigade in Malaysia a sense of unity, to encourage fellowship and better understanding among Members and Officers throughout the country. State Councils take turns to host the event, which gives opportunity for participants to see the "hometowns" of their fellow comrades from Companies in that state. Bugle Calls

The Bugle Calls are an extension to our British and Commonwealth military heritage. Think of them as a Company level alarm for particular times (meals, lights out etc.) and a ringtone for particular people (Orderly Sergeants, Officers, etc) or particular response (Fire Alarm, Fatigue, etc). Companies are encouraged to practice responding to these bugle calls in the event that it might be used in State or National events. If the Company has no buglers, it is okay to play an mp3 over loudspeaker.

In the Brigade, bugle calls are used to bring the Members' attention in various circumstances. For instance, the 'Double-Up Call' (originally known as 'double') is used to tell Members to quickly assemble at the point where the call is blown.

Buttonhole Badge

The buttonhole badge is a badge of membership. When you wear it, you identify yourself as a BB Member to others. It is a way of making the BB known and its presence felt by others. Never be shy to put this badge on. It should, however, be worn out of uniform.

BB Handshake

BB members practise a unique method of handshake. Use your right hand with the little finger separate from the other fingers to interlock the other person's little finger. Practise this regularly among Members and Officers, both in and out of Parade.

Money Matters

Money is needed to make all our activities happen. Here are some things you can do to find the money you need for your BB journey:

Subscription

Most Companies collect subscriptions fees which are used for the operations of the Company activities and maintenance of Company assets. A portion of this fees is also used to support the national operations of BBM.

BB Month

BB Month collection is held once a year and is a grand chance for all to do their utmost for the good of the Company and the Brigade. Officers and Members are encouraged to give generously themselves and then to collect contributions from relatives, friends and those personally known to them. The Company keeps the amount raised by each Company but can choose to also contribute to the national BB work. You will want to serve your Company and the Brigade in this way and go all out when the time comes. Be sure to return the cards and cash promptly.

THE BOYS' BRIGADE SINGAPORE

Uniform

You will be expected in most cases to pay for your uniform. There is a scheme to provide uniform subsidies for those who are unable to pay. See your Officer for details.

Saving

Avoid foolish and selfish waste of money; practice the habit of saving and putting aside some cash for a rainy day so that you may enjoy the glorious privilege of being independent.

Giving

Make a rule of giving. Be generous and mindful of others so that you have the satisfaction of knowing that you are doing something for the welfare of others who need all the help we can give. There are many ways of helping those less fortunate than you. Lose no opportunity of being "The Good Samaritan."

Members are also encouraged to contribute weekly through Bible Class or Church to the work of the Church in other lands, both through the Church's own missionary project and through the Brigade's Full-Time Officers Fund.

Gambling

No loyal BB Member bets or plays for money. Gambling is a foolish and undesirable practice and has been the ruin of many Members who might have made success in life.

Basic Life Support - "DRS ABCD" Method

1 Keep calm and stay alert.

2 **D**anger

Always ensure the safety of the surroundings before attending to the injured person. This includes traffic, broken glass, fire, chemical spills, electricity, sharp edges, and unstable structures. Avoid endangering yourself while trying to help someone in need.

3 **R**esponsiveness

Determine if the person is responsive or unresponsive by initiating interaction. Kneel beside their chest and gently shake their shoulders while asking, "What has happened?" and "Can you open your eyes?"

- If the person opens their eyes or responds with another gesture, they are considered responsive.
- If there is no response from the person, they are deemed unresponsive.

4 **S**hout

Shout for help and instruct people nearby to call for an ambulance while another gets an AED if the device is nearby. Call 999 - Malaysia Emergency Response Services (MERS).

5 **A**irway

Next, you need to check that the airway is open and unobstructed. If the airwary is obsructed, place them on their side and clear the contents of the mouth before moving on to the next step.

- Begin by placing one hand on the casualty's forehead.
- Next, gently tilt the head back.
- Then, using two fingers from your other hand, lift the chin to further open the airway.

6 **B**reathing

Check if the person is breathing normally within a period of not more than 10 seconds.

- Place your ear above their mouth, looking down their body.
- Listen for sounds of breathing and see if you can feel their breath.
- Watch to see if their chest moves up and down. Do this for 10 seconds.

If the person is unresponsive and not breathing, start CPR right away.

7 **C**hest Compression (Circulation) - Start chest compression.

- Kneel by the side of the victim.
- Place the heel of one hand in the centre of the victim's chest (centre of the chest).
- Place the heel of your other hand on top of the first hand.
- Interlock the fingers of your hands and ensure that pressure is not applied over the victim's ribs.
- Keep your arms straight.
- Do not apply any pressure over the upper abdomen or the bottom end of the bony sternum (breastbone).
- Position your shoulders vertically above the victim's chest and press down.
- High quality CPR
  - Rate: 100 to 120/per min (Tips: Refer to songs that has similar tempo, "Staying Alive - Bee Gees" or "Never Gonna Give You Up" - Rick Rolled or "Baby Shark"- Pinkfong)
  - Depth: 5 cm to 6 cm (injuries are more common when compression depth is greater than 6 cm)

When an AED is available, turn it on and follow the instructions of the voice prompts. Remove all clothing covering the chest and attach the pads correctly. If necessary, wipe the chest dry.

- Place one pad on the upper right side of the chest and the other pad on the lower left side of the chest. Prepare to let the AED analyse the heart's rhythm.
- Ensure that nobody is touching the victim with clear CHANT LOUDLY "I am clear, you are clear, everyone is clear..."

Standards of A Brigadier

As Brigadiers, we have standards to live up to.

Attendance

Your Company will expect you to be present, EVERY week, not just when you feel like it... and on time. You will be expected to participate in all Company activities and events. So, do your best.

Personal Grooming

The Officers do not like untidy Members who do not clean their uniforms properly. SO get the uniform cleaned and polished and SHINED before every Parade.

BOYS' BRIGADE SINGAPORE
ALL RIGHT RESERVED (APR 2024)

Standards of appearance, cleanliness, discipline, obedience, etc.

- When in uniform or on a BB activity, always remember that the good name of the BB is in your keeping.
- Be a good example for our great movement by your behaviour.

In the same way, we should set for ourselves standards for our own personal private lives.

- **Clean and neat at all times.**

  Remember that cleanliness is one of the chief rules of health.

- **Cleanliness should be more than skin deep.**

  Keep your thoughts clean, and avoid reading or watching material which is harmful. Keep your speech clean. Remember that the worst form of bad language is using the name of God or Christ as a swear word. Avoid 'dirty' conversation.

- **Set yourself a high standard of physical fitness.**

  You are building a body which you will have to live in for the rest of your life... make it a strong one. Have a go at as many physical activities your Company organises, even if you are not particularly good at them.

- **You do not have to put your hand into the fire to see if you will get burnt.**

  In the same way you do not have to experiment with certain things to find out if they are harmful to good health. They are:

  - Drugs and Smoking. A very unhealthy habit.
  - Alcohol. It breeds a whole range of much greater problems.

  As a rule for life, avoiding alcohol will "make the head clearer, the heart lighter and the pocket heavier."

- **Do not be persuaded by others to do things just because 'they are manly' or 'everybody else is doing it'!**

- **Friends are important.**

  Try to see that those you keep company with, both Boys and Girls, will enjoy, with you, a clean, happy and healthy life.

THE BOYS' BRIGADE IN MALAYSIA
(EST. 1st OCTOBER 1930)

BB Spirit

The BB Spirit is something you cannot see or taste but can feel and sense. The BB spirit is present in thousands of Members all over the world who uphold the BB Object and who will not do anything to bring dishonour or shame to the good name and tradition of the Boys' Brigade. The BB Spirit reminds every Member and Officer that they are part of the BB family even many years after they have left the Company. When you hear some people say they have "BB Blood" or "Blue-Blood", they are expressing this BB loyalty.

Recruitment

One of the best ways in which Members can serve their Company is by introducing others as recruits. Remember that yours is the best organisation for youths. See that your friends have the benefits of belonging to it. Do all you can to encourage others to join the Brigade.

THE BOYS' BRIGADE SINGAPORE

Resignation/Discharge

Should circumstances prevent your remaining as a Member, apply for your resignation in a decent way. Do not just stay away and leave your Officers or NCOs to find out why you are not present. Submit a letter of resignation to your Company and return promptly any property you may have and clean it well before doing so.

Upon reaching the maximum age for the Senior Section, a member concludes their Boys' Brigade journey and may be discharged, marking the completion of their service.

Transferring

If you are moving to another location, ask your Captain to tell you the address of a Company near your new home so that you may transfer your membership officially and continue your BB adventure with them.

Alumni

This is a term of endearment for every Member who ends their life chapter with the Boys' Brigade upon their discharge. The alumni, sometimes referred to as old Boys/Girls are encouraged to remember the BB, whether it be giving a donation to any cause of the Brigade or taking some time off their busy schedule to help a Company in anyway. Most importantly, they are encouraged to uphold their daily lives in the principles and traditions they have learned in the Boys' Brigade.

Stedfast Association/BB Alumni is one platform where the old Boys/Girls can continue to serve at a different capacity, raising funds for scholarships being one of the ways to help and encourage the BB members in need.

Your Brigade Family

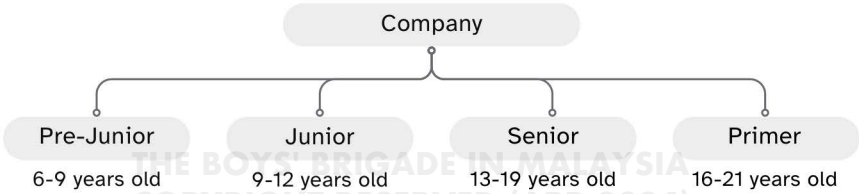
Section

Have You a Sibling? Sections in a Company:



THE BOYS' BRIGADE IN MALAYSIA
COPYRIGHT RESERVED (APR 2024)

Pre Junior Section (6-9 years old)

Members shall be eligible to join the Pre Junior Section if they are 6 years of age or more on the year in which they join. This is the littlest group of the family. They would seem to have a lot of fun! They play games, learn some basic drills, and earn genuinely nice unique badges: Pink, Orange and Grey.

Junior Section (9-12 years old)

Members on reaching 9 years of age, will be transferred to the Junior Section. This group seems to be having a lot more fun! On top of games, they do squad drills and they get to earn more cool badges, the highest being the Gold Award which the Member can wear when he moves up to the Senior Section!

The Members in the Junior Section will be transferred to the Senior Section upon reaching the age of 13 years old.

Senior Section (13-19 years old)

This group is where things get really serious! Here they practice the ENTIRE Drill Manual, earn up to 30 badges and even learn to be tough-as-nails leaders called NCOs. This is where the adventure truly begins!

Members may join the Senior Section upon attaining the age of 13 years old. In the circumstances whereby a Member that is aged 11 and above has already join Secondary school may join also the Senior Section. Members must be discharged upon reaching 20 years old or more according to their calendar age.

Primer Section (16 - 21 years old)

This group is mainly the oldest brother or sister joining in for the first time who wants to experience the BB Method and apply into their journey from boys to men, from girls to women. This is also where we low-key train them to be Officers should they want to serve.

PREPARED BY BRIGADE IN ACTION SDN BHD (APR 2024)

Ranks

The officer commanding the whole Company is known as the Captain. His assisting officers who have completed their basic training and are full church members are known as lieutenants. Those who have completed basic training but are not full church members appointed to the rank of Warrant Officer.

Each Company has a chaplain (usually the minister of the church) who is also an officer. Officers share in the various tasks of the Company and some officers are appointed as officers-in charge of the four sections of the Company.

Members in the Junior Section & Pre-Junior Section are informally known as Juniors.

In the Senior Section, Members are known as privates and they may be promoted to lance corporal, corporal, sergeant or staff sergeant.

Your Officers

BB Officers come in all shapes and sizes and of every possible description, both men and women.

Why do Officers serve in BB?

If you ever wondered why any Officer would want to serve in the Brigade unpaid (in fact, it even costs them money), it is because they do it in the service of Christ and for the passion of building you up to be a better person.

So your Officers are a lot more than just teachers, coaches, mentors, referees and instructors. Do not forget to talk to them, not just about Parade, but get to know more about them and their life.

Identifying an Officer

Just like in the Junior or Senior Section, Officers have different ranks. How can we tell them apart? Simple. Here are some ways you can identify their ranks, through their lanyard colour.

The Captain: landyard colour - Red

- He/she is in charge of all Sections in your Company.
- The Captain organises the meetings which plan your Company activities.
- Give your best attitude with him/her, but as he thinks of himself as a friend to every Member, be sure to go to him/her if you have a problem.

The Chaplain: landyard colour - Purple

- Normally he/she is the Minister or Leader of the Church of which your Company is part.
- He will be incredibly pleased to see you at Church services.
- Get to know him as a friend. You will probably see him teaching a Bible Class or helping out at other meetings.

Lieutenants: landyard colour - Black

- The Christian men and women who have been trained to run the BB Programme, and how to deal with Members like you and me!
- Lieutenants are really committed to the BBM, devout Christians and their appointment is commissioned by the Church.

Warrant Officers: landyard colour - Blue

- This is a special rank for those who have not yet undergone training or are unable to take the responsibilities of a Lieutenant or who need to build on their experiences.

Teacher/Advisor: landyard colour - Green

- School teachers in charge of supervising and assisting in the running of BB activities in schools.

Staff Sergeant

- A staff sergeant is an Auxiliary Officer of the same category as Warrant Officers and Teacher Advisors. A Member is discharged at the age of 19 years old and may be “appointed” as a Staff Sergeant by the Company.

- A staff sergeant is not an NCO, though he looks like an awesome one. He is usually the guy assigned to help conduct Drill and awards classes either in the Junior or Senior Section. He would also organize camps and various trainings in the Company. A Staff Sergeant is a member of the Officer’s Council.
- The uniform of a Staff Sergeant shall be that of a Member in the Senior Section, with the additional accessories of a white lanyard, a blue sash over the left shoulder across the chest and back and a four striped chevron on his right arm.

Non-Commissioned Officers (N.C.Os) – Your Big Siblings

Lance Corporal

Corporal

Sergeant

- One of the highest honours a Member can receive in The Boys’ Brigade is to gain promotion to be a Non-Commissioned Officer (NCO).
- There are three ranks as an NCO:
  - Lance Corporal (minimum age 14 years old)
  - Corporal (minimum age 15 years old)
  - Sergeant (minimum age 16 years old)
- The Captain and Officers are responsible for promotions and they are looking for Member with:
  - Excellent attendance record
  - Keenness, interest, and enthusiasm
  - Good conduct and character
  - Loyalty to the Company
  - A record of good examples in every way

However, a promotion is not given as a reward. No number of badges ever qualify a promotion. Rather, being an NCO is an opportunity to take up more responsibility and to test your abilities in being a great leader. Not every Member will get to be an NCO. Most Companies keep a ratio of one NCO to six Members. Leadership, however, does not begin with the rank. It begins with leading by example. So stay positive, do your best to support your leaders now while continuing to play as active a part as you can in the Company.

NCO Standards

There are several ways in which your Company may ask you to serve:

As a Squad Leader

- YOU are in charge. You are responsible. Do not be a bully but do try to improve your squad.
- Encourage your Boys to clean their uniforms well. Instruct them on how to wear and clean their uniforms. Before they come on Parade, check that they are well turned out.
- Encourage good attendance. You may be asked to visit absentees.
- Be concerned about the Members in your squad, and how they are getting on. Are they participating fully? Are they having difficulties? If there are problems you cannot handle, then see your superior NCO, Officer-in-Charge or Captain.

As a Camp Commander

- At a Camp you may be given this important responsibility. Be especially mindful to look after the younger Members.

- Assist the Officers and teacher advisors to carry out the activities well in school.
- Recruitment at school may be part of your responsibility as one of the school platoon leaders.

In Charge of an Activity

BB Songs

Did you know that the Boys' Brigade does not have an official anthem? And that BB Vesper is not a mandatory closing song?

Contrary to local culture, *The Anchor Song* and *Underneath the Banner* are actually normal songs that were sung during Church Parade along with other hymns and songs selected for the Church Service. The *BB Vesper* (vesper is Latin for "evening" and usually means "evening prayer") would only be sung as a vesper if Drill Parade or Church Parade happened to be in the evening or during the Church's Evening Service or Evensong.

However, adapting to the "anthem and song" culture of Malaysia, the Boys' Brigade in Malaysia adopted *The Anchor Song* as its unofficial anthem, *Underneath the Banner* as an anthem for Marching in of the Colour, *Onward Christian Soldiers* as an anthem for Marching out of the Colour and *BB Vesper* to be the closing prayer for any BB activity.

THE BOYS' BRIGADE IN MALAYSIA

All this is to say that singing is very much part of the Boys' Brigade's culture and it is also a powerful tool to help teach the culture of prayer and praise to Members and Officers alike. Companies are encouraged to incorporate singing in any and every appropriate occasion. Following are some examples:

- *Will Your Anchor Hold*, *Lord Bless the Boys' Brigade* and *Underneath the Banner* for Praise and Worship before Bible Study.
- *Table Grace* before meals.
- *Mighty Band of Brothers*, and *Brigade Boy* when around a campfire or during an expedition.

The Anchor Song

Verse 1:
There's an emblem fair
that is known to all
A sign to help us through.
It stands for strength
and it stands for right
An anchor tried and true.
The emblem of the Boys' Brigade
It helps us on our way
Our fathers knew in days gone by
This sign we know today.

Chorus:
Sure and Stedfast
The Brigade Boys' motto clear
That's our watch-word
When troubles and trials are near.
Sure and Stedfast
To the flag that flies above
In all that we do, we try to be true
To the Anchor that we love.

Verse 2:
With gallant heart and gallant soul
On life's broad sea we'll sail
What-e'er storms of life may bring
Our Anchor must prevail
Although the clouds
may cross the sun
And skies grow dark and grey
We'll face the foe until we've won
A glorious victory.

Mighty Band of Brothers

Verse 1:
Sing a song together
As we march along
All the way hip-hoo-ray let us swing
Come along and join us
And you can't go wrong
We rejoice hear and voice as we sing
Join the great parade
Of The Boys' Brigade
Loudly let your voices ring!

Chorus:
We're a mighty band of brothers,
spreading out across the world.
Over continent and island,
see the B.B. flag unfurled,
We have one great cause
and it must prevail
With a stalwart faith
that can never fail.
We're a mighty band of brothers.
Ever steadfast ever sure.

Verse 2:
Life's a great adventure
and we hear the call
To the fight for the right thro' and thro'
Boys' Brigade throughout the world
are comrades all
We're united in all that we do
With our vision clear,
what have we to fear
So long as to our trust we're true.

Table Grace

Be present at our table, Lord
Be here and everywhere adored
Thy creatures bless, and grant that we
May feast in paradise with Thee
Amen

BB Vesper

Great God who knowest all our needs
Bless Thou our watch and guard our sleep
Forgive our sins of thoughts and deeds
And in Thy peace Thy servants keep.

We thank Thee for the day that's done
We trust Thee for the days to be
Thy love we learn in Christ Thy Son
O may we all, His glory see!
Amen

Underneath The Banner

Verse 1:
Underneath the banner
Of the Cross arrayed
Lord we ask Thy blessing
On The Boys' Brigade;
Thou art our Commander
And Thy soldiers we
And in Christian warfare
We would honour Thee.

Chorus:
Underneath the banner
Of the Cross arrayed
Lord we ask thy blessing
On The Boys' Brigade.

Verse 2:
In each lowly service
As on Drill Parade
"Duty" be the watchword
Of The Boys' Brigade;
Make us ever loyal
Small or great the foe
Lead us, Saviour! Lead us
Everywhere we go.

Verse 3:
We will fight for laurels
That will never fade
For the Holy City
March The Boys' Brigade;
What we find unholy
In our daily life
We will try to conquer –
Help us in the strife.

Will Your Anchor Hold

Will your anchor hold in the storms of life
When the clouds unfold their wings of strife?
When the strong tides lift, and the cables strain
Will your anchor drift or firm remain?

Refrain:
We have an anchor that keeps the soul
Stedfast and Sure while the billows roll
Fastened to the rock which cannot move
Grounded firm and deep in the Saviour's love!

Will your anchor hold in the straits of fear
When the breakers roar and the reef is near?
While the surges rave, and the wild winds blow
Shall the angry waves then your bark o'erflow?

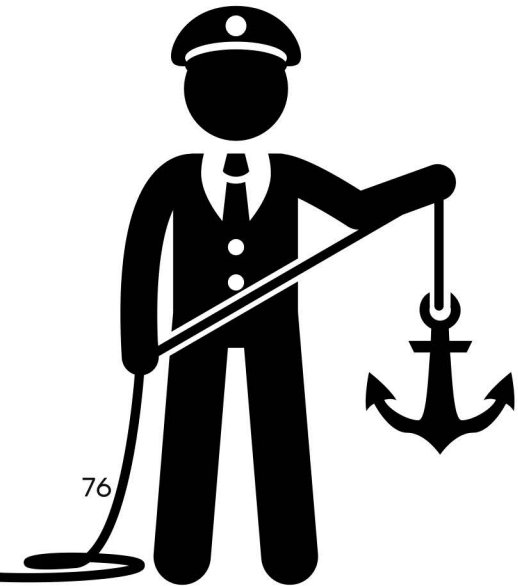
Will your anchor hold in the floods of death
When the waters cold chill your latest breath?
On the rising tide you can never fail
While your anchor holds within the veil.

Will your eyes behold through the morning light
The city of gold and the harbour bright?
Will your anchor safe by the heavenly shore
When life's storms are past for evermore?



Lord, Bless The Boys' Brigade

Lord who made the universe
Stay as our guiding light
Lead us each day and we'll never stray
From ways that are fine and right
We will always follow You
Confessing the choice we've made
We will always call to You
"Lord, bless The Boys' Brigade"

Now we praise Your Holy Name
Over the land and sea
Taking Your word, we're making it heard
With grandeur and majesty.
We have served You constantly
Your message and voice obeyed
Near to You we long to be
"Lord, bless the Boys' Brigade"

Through the years, for evermore
We'll never be afraid
We'll honor You in all that we do
Your splendour will never fade
Maker of the universe
Your crest is with joy displayed
Stay and show the truth to us
"Lord, bless The Boys' Brigade"
"Lord, bless The Boys' Brigade"

Brigade Boy

Back in eighteen-eighty three
Wond'ring what was going to be
Thirty Boys came on parade
With no uniform as yet
They had just a red rosette
They were call the Boys' Brigade
But the banner then unfurled
Now its known throughout the world.

Brigade Boy! Brigade Boy!
Your country can depend on you
The days of your Boyhood
Will help to make you brave and true.
Brigade Boy! Brigade Boy!
To do the right you're not afraid
And you know you'll win
Because you're a member
Of the The Boys' Brigade.

Here you'll find the Boy who swims
And the Boy who's keen on Gyms
Get the training they desire
When the week is at an end.
Happy Saturday we spend
Playing football we can't tire
And when summer time comes round
For our camping we are bound.

There are many things to do
Some are old and some are new
Every keen Boy wants them all.
At our ambulance we learn
How to do a useful turn
Should an accident befall
Then our signalers are here
They can send a message clear.

Now though many years have gone
Still The Boys' Brigade goes on
Boys in thousands join each year
At our Bible Class or Drill.
Try to do our best we will
For the cause we hold so dear
So the B.B. shall endure
Ever Stedfast Ever Sure.

Basic Safety Awareness

Safety during any activities is important and is the number one priority. It is not just about avoiding accidents, but it requires building a safety-conscious mindset and habitual practice of taking appropriate steps.

SAFETY IS NOT JUST A GOOD IDEA, IT IS A GOOD PRACTICE

As a parf of the BB family, everyone has the duty of care for ourselves and for each other to try our best to stay away from harm. Safety regulations may seem like 'common sense', however common sense has to go hand in hand with experience. Thus, the first step to practising safety mindset is to know, understand and follow the safety rules and regulation set up in your BB Company, schools or any activity place.

Our Government

Malaysia is a Federal, Parliamentary, Constitutional Monarchy.

What it means is:

Federation:	There are independent state governments (Dewan Undangan Negeri) as well a single national government (Parlimen Negara) working together in a single political system. Hence why elections are divided into federal election as well as state elections.
Parliamentary:	Each district elects its own representative (Member of Parliament/Ahli Parlimen). The greatest representation will form the government, its leader will be the Prime Minister.
Constitutional Monarchy:	The Supreme Ruler (Yang Dipertuan Agong) and all State Sultans and Governors are the heads of state whose authority is enshrined in the Constitution. This gives both our monarchs and government accountability unto one another to ensure a fair check and balance.

He is then the check and balance to the Malaysian government, ensuring that the government under his name functions efficiently and fairly for the people of Malaysia.

The Constitution – Our Nation's Foundation

The Constitution of Malaysia is the supreme and overriding law of the country. It sets out a broad framework for the governance of the country, laying down the rights of the individual and the extent to which and in what circumstances the Cabinet may limit these rights.

Question:
Who is your Member of Parliament? Where is his/her constituent office?

The Dewan Negara is the check and balance for all legislation passed by the Dewan Rakyat and though they may not reject any bill raised by the Dewan Rakyat, they may delay bill's passage by a year until it is sent to the His Majesty the Yang di-Pertuan Agong.

Totalling 70 senators, the Dewan Negara comprises of 43 senators appointed by His Majesty on the advice of the Prime Minister, 26 senators elected by the 13 states (two each state), and four senators appointed by His Majesty for the federal territories of Kuala Lumpur (2 senators) Labuan (1) and Putrajaya (1). This broad variety of representation ensures that whatever law that the Dewan Rakyat seeks to make is enforceable and fair for all of Malaysia.

Question:
Who are your State Senators? What are they most recognized for?

Judiciary – Rule of Law

The judiciary is the branch of government which administers justice according to law. The judicial power in Malaysia is vested in the Federal Court, the Court of Appeal, the High Courts of Malaya, Sabah and Sarawak and subordinate courts which are the Sessions Courts, Magistrate Courts, the Court for Children, Native Courts in Sabah and Sarawak and Syariah Courts.

The head of the Judiciary is the Federal Court. The court is composed of the Chief Justice, President of the Court of Appeal, the Chief Judges of the High Court in Malaya and the High Court in Sabah and Sarawak and 11 other Federal Court judges. All judges are appointed by the Yang di-Pertuan Agong on the advice of the Prime Minister of Malaysia.

The People – Courteous and Principled

Every Malaysian has a role to play in order to ensure the nation's freedom and values remain intact and thriving. It begins with the Character of each citizen, which we hope the BB will promote. As the institutions of Parliament, Judiciary, King and Constitution seek to serve our nation, we as citizens may hold these institutions responsible in ensuring that we progress together as a nation beginning with treating one another with respect and courtesy.

Flag Etiquette

The Malaysian Flag

As a symbol of a free nation, the flag of the Federal States of Malaysia should fly freely at all times. These basic rules should be observed when flying and folding a flag.

The Boys' Brigade Flag

(The rules for The Malaysian Flag applies for the BB Flag)

Flying a Flag

It is usually flown in the open; weather permitting from sunrise to sunset it should always be hoisted briskly and lowered slowly with dignity. No part of it should touch the ground or trail in the water. It should not be displayed if it is in poor condition. Worn out flags may be privately destroyed by burning. A flag can be flown

- **By hoisting** - The bearer must ensure that the unfurled flag is attached right way up on the rope and is drawn up with dignity. Use one hand to put the rope to raise the flag and the other hand to guide the other rope. When the flag is raised, tie the lower end of the halyard to the bottom of the flagpole waist high, using a clove hitch.

- **By Breaking** - The folded flag is raised up the flagpole. The halyard hangs down, the end of which is secured to the flagpole. The other halyard loosely from the top; this is the halyard to pull the flagpole. Stretch your hands pull the slack halyard. The flag unfurls. Fasten the loop and salute.

- **Flag Half Mast** - When our nation is in mourning, the Malaysian flag is flown at half-mast. The flag is first hoisted to the peak for an instant and then lowered to the half-mast position. The flag should be again raised to the peak before it is lowered for the day.

Annexes

THE BOYS' BRIGADE IN MALAYSIA
COPYRIGHT RESERVED (APR 2024)

Annex 1
The Country Code

As a Member of the Brigade, you will have the opportunity to participate in many outdoor activities and camps. When on such activities, it is important that a camper follows instructions carefully and be mindful of his/her surroundings. The Country Code is a good guideline for you to follow when on camps or expeditions.

- **Guard against all risk of fire**

  Permission must always be obtained before lighting a fire. If a fire is used for cooking, or as a campfire, care must be taken to remove turf first. The fire should be extinguished carefully, and allowed to cool before returfing.

  If a party discovers a fire, efforts should be made to stamp it out or if the blaze is too large for the group to deal with, help should be obtained from the Police, Fire Brigade or Forestry Commission Officer. Reporting and helping to fight a heath or forest fire would be a very acceptable reason for a change of expedition plans.

- **Fasten all gates**

  A gate should be walked through and not climbed over and the last man in the group should carefully re-fasten the gate.

- **Keep dogs under proper control**

- **Keep to the paths across farm land**

  In the more cultivated areas of the country, footpaths must be followed carefully. In the mountains, effort must be made to find the proper path from road to open hillside. On narrow paths, keep in single file.

- **Avoid damaging fences, hedges and walls**

  There is seldom any excuse for crossing a wall or fence by any other way than by the stile or gate provided. Being on an Award Scheme venture is a reason for making a detour to avoid damage to walls, etc. not a reason to take short cuts.

THE BOYS' BRIGADE IN MALAYSIA
SOP (NON-RESERVE) (JAN 2024)

- **Leave no litter**

  All camp litter, which cannot be destroyed must be removed from the site and deposited in a wayside litter when next possible. It should not be buried.

- **Safeguard water supplies**

  Many rural communities use stream water direct. Washing-up should be done away from the stream and grease and fat poured into the earth.

- **Protect wild life, wild plants and trees**

  Remember that there should be little or no evidence of the fact that an expedition has passed through or camped in an area.

- **Go carefully on country roads**

  These are usually narrow and winding and should be avoided wherever possible. If it is necessary to use them for short distances keep to the right and walk in single file.

COPYRIGHT RESERVED (APR 2024)

- **Respect the life of the countryside**

  The public is on trust in the countryside. Respect the property and the livelihood of the countryman. If the opportunity occurs, try to explain your purpose to the local farmer and thank him for his cooperation. Permission to camp must always be obtained from the landowner or appropriate person.
